HEAD TRACK COACH
FRANK COSTELLO

Frank Costello after having served as assistant track coach at Maryland for six years, starts his first year at the helm of the terrapin track program.

Costello's accomplishments as a Maryland trackman include: winning the ACC high jump indoor and outdoor 1964, '65, '66, and '68; IC4A Champ indoor and outdoor 1965, 1966; NCAA Champ indoor and outdoor 1965; Penn Relay champ 1965, '66; All American in Track, 1965, '66, '68. Costello was out the 1967 indoor and outdoor season recovering from a knee operation. He returned to competition again in '68 to set a new ACC outdoor high jump record. In 1966 Costello set a new Maryland high jump record at 7'1".

After graduation Costello competed on several United States national track teams, including a trip to Russia in 1969.

Costello has been coaching the sprints, hurdles, and high jump at Maryland for the past six years. In the high jump, he produced Joe David who set a new school record at 7'1½". In the sprints it was Nick Basciano who ran a 9.3 for a new record in the 100 yd. dash. He has coached several A.C.C. hurdle champs.

In 1969 Costello was selected to help coach the United States team competing in the World Games for the deaf in Belgrade, Yugoslavia. This past summer he was asked to return and assist the deaf olympians in the XII games held in Malmo, Sweden.

Costello was recently married in the University of Maryland chapel to the former Nancy Sellner. They reside in nearby Greenbelt.

HEAD CROSS COUNTRY COACH
ASSISTANT TRACK COACH
BOB DEAN

Bob Dean is in his fifth year on the Terrapin track staff as head cross country coach and assistant track coach, handling the distance runners.

Before coming to Maryland, Coach Dean served as Head Track and Cross Country Coach at Dulaney High School in Timonium, Maryland from 1964-1970. His teams dominated track and cross country in the State of Maryland establishing records of 138-9 in cross country, 44-3 in indoor track and 64-0 in outdoor track. In 1968, his teams established a feat in Maryland State competition unequaled before when they won every major meet in cross country, indoor and outdoor track, including three State Championships. Coach Dean also produced several nationally ranked performers, one of which was a member of the 1972 Olympic Team in the 1,500 meter run.

A graduate of Durham High School in North Carolina, Dean captained his team, held the school record in 880 as well as Eastern State 880 record.

At High Point College, Dean captained both track and cross country teams while being named Outstanding Trackman for two consecutive years. He was a three time North Carolina State Conference half-mile champion and record holder. Dean also was on High Point's first undefeated cross country team that won conference and N.A.I.A. District #26 Championships.

Some of the highlights and accomplishments of Coach Dean's four years at Maryland are as follows: new varsity cross country course record in '70; new freshman cross country course record '72, '73; new steeplechase record in '72 and '73; new varsity 6 mile record '72 and '73; new freshman 6 mile record '72 and '73; new freshman 3 mile record in '72 and '73, new freshman 2 mile record indoors '72 and '73; new freshman indoor mile record indoors '73. He also coached 6 men on the present 3 mile Top Ten list; 10 men on present 6 mile Top Ten list; Capital Area Cross Country Champions '70 and '72; A.C.C. Champions '72, '74; dual meet record in cross country 39-8.

Married to the former Carol Louise Rappold, the Deans have two children, Betsy 10 and Mike 7 and reside in Takoma Park, Maryland.

QUARTER MILE - MIDDLE DISTANCE COACH

STAN PITTS

Stan enters his second year as the Terrapin quarter-middle distance coach.

After graduating from Maryland in 1961 as an outstanding sprinter, he taught in Prince George's County and coached at DuVal, Crossland and Parkdale High Schools. He compiled a dual meet record of 69-3, as well as winning the State Championship in 1966.

In 1973, indoors in the ACC, his 600 men ran 1st, 2nd, and 4th and his mile relay ran 3:19.2 to cross the finish line first. Outdoors two of his runners captured ACC Championships, Mike Johnson was the 440 Champ and Dave Watt the 880 Champ—Watt also ran an excellent 1:50.1 in the Terrapin Invitational Meet to establish a new freshman record.

Stan is presently the Assistant Supervisor of Driver Education in P. G. County and is married to the former Janice Preusse. They reside in Fairfield, Pennsylvania with daughters Vicky 11, Arlene 3, and sons Eric 14, and Bruce 8.

RUSS WHITE

Joining Coach Ruckert in the javelin this year will be Russ White, who is one of Maryland's all time great javelin throwers. Russ is the 4th best thrower ever at Maryland, with a throw of 250'½" in 1965. White is a former ACC, IC4A, and Penn Relay Champ.

DISCUS - SHOT PUT COACH

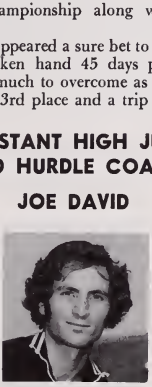
DICK DRESCHER

During the last five years, Dick has been one of the top discus men in the U.S. In 1971 he won the silver medal in the AAU meet, to earn the privilege to compete in the U.S.S.R. and Pan Africa meets. Dick added the Pan American Games gold medal to his list of laurels with a new Pan Am record throw of 204'3. This year he will coach both the discus throwers and the shot putters as well as the weight training program. While at Maryland, Dick won the Evans Award as the outstanding graduating senior trackman in 1969. His college career includes two IC4A and ACC titles and Penn Relays discus championship along with All-American honors.

In 1972, Dick appeared a sure bet to make the Olympic Team, but a broken hand 45 days prior to the trials proved to be too much to overcome as he took 5th place, only 23" short of 3rd place and a trip to Munich.

ASSISTANT HIGH JUMP AND HURDLE COACH

JOE DAVID



Joe David enters his first year as a Maryland coach. David came to Maryland in 1968 from Union, New Jersey graduating from the same school as his coach Frank Costello. While at Maryland, David won several ACC and IC4A Championships. He set a new school record in 1970 with a jump of 7'1½". While at Maryland, David scored points in the high hurdles and on the 440 Relay.

David will be working very closely with Coach Costello this year, helping with the high jump and hurdles.

POLE VAULT COACH

PETER KOWZUN

Pete enters his first year as coach of the Terrapin vaulters. He attended the University from 1962-66 with a degree in physical education.

Kowzun was an outstanding vaulter at Maryland with a personal best of 15'6". During his career he won ACC Championship both indoor and outdoors as well as finishing as runner up in the ICAA; and a finalist in the NCAA.

He is an elementary physical education teacher in Prince George's County and is known for his work in various Boy's Clubs and Youth Organizations.

He is married to the former Jo Ann Milosevich, the Kowzun's have two children, Dawn 8 and Brian 10, and they reside in Glen Burnie, Maryland.

JAVELIN COACH

JACK RUCKERT

Coach Ruckert enters his 10th year as the Javelin Coach at Maryland. Coach Ruckert has coached seven out of the Top Ten best throwers ever at Maryland. He has coached many ACC and IC4A Champions in the javelin. In 1966, Coach Ruckert's javelin throwers got all five places in the ACC meet. Jack Ruckert is presently an officer with the Navy Department. Jack and his wife live in College Park. They have six children, Shery 29, Steve 25, John 24, Tom 22, Greg 20, and Lynne 17.

UNIVERSITY OF MARYLAND

The University of Maryland is a land-grant institution of higher learning stressing programs of excellence in teaching, research and service.

The College Park Campus is located just nine miles from the Nation's Capitol, and provides many academic resources for its widely diverse student body.

The University provides rich possibilities for every type of interest. Undergraduate students may specialize or generalize in one of over 120 fields for a bachelor's degree; graduates in more than 80 areas for a master's degree and in over 70 academic areas for a doctoral degree.

Students may choose from such areas as the life sciences, agriculture, mathematics, physics, engineering, behavior and/or social sciences, business management, the arts and humanities, journalism, architecture, human and community resources, human ecology, education, physical education and library and information services.

Under the leadership of Dr. John W. Dorsey, innovations have been made in many academic areas, on the College Park Campus including urban studies, applied mathematics, consumer economics, ethnic studies, and other areas which are concerned with particular needs of today's society.

The College Park Campus has recently implemented one of the most enlightened campus organizational structures in the country. The new campus organization provides every student and faculty member with increased freedom and expanded opportunities to develop his or her potential.

The Department of Intercollegiate Athletics under the guidance of Jim Kehoe fields varsity teams in 13 sports in the Atlantic Coast Conference and seven additional sports in which the women compete on local, state and regional levels.

1973-74 HIGHLIGHTS

Princeton, New Jersey was the site of the season opener for the 1973-74 Terrapin Track Team. Nick Basciano placed 3rd in the 60 yard dash, Andy Bilmanis had a PR in the triple jump as he leaped 50'10" for 2nd, in the long jump Bill Goodman jumped 23'8¼" for a 2nd place, Al Hamlin placed 3rd in the high jump with a PR of 6'8" and Mike Remus vaulted 15'4" for 3rd place and a new university frosh record.

The Annual National Invitational M Club-CYO Meet drew another large crowd in excess of 9,000 spectators who saw another exciting meet as Rod Milburn ran 6.8 in the 60 yard high hurdles to tie the World Record and Renaldo Brown jumped 7'2" to win the high jump over four other seven-foot jumpers. The Terps best performance was a disputed 2nd place finish in the two mile relay as Ed Bailor, Tony Garner, Bill Ham and John Meehan teamed together to run a fine early season 7:40.3.

In the Knight of Columbus Meet in New York the Maryland mile relay composed of John O'Keefe, Dave Watt, Bill Ohlmacher and Rod Cupka took a 2nd place.

Navy, with their IC4A Championship track team still intact, defeated the Terrapins 74-44 in their annual get together. Excellent Maryland performances were turned in by Andy Bilmanis as he won the triple jump with a 51'3½" effort to establish a new University Record as well as a new Navy Fieldhouse Record. Jeff Nichols and Greg Lardieri led the Terps to a 1-2 finish in the 60 hurdles as both men were clocked in 7.3. Long jumpers Bill Goodman and John Davenport also placed 1-2 with leaps of 24'1¾" and 23'9½" respectively. Drew Herndon while finishing 2nd in the pole vault had a PR with a height of 16'1½". Brian Bozzone tied his personal best as he won the high jump clearing the bar at 6'10". Other commendable performances were turned in by John Meehan in the 1,000 as he placed 2nd in 2:11.7 . a PR; Al Carey also had a PR in the mile as he took 3rd with a 4:09.4, Dan Rincon and Kevin Conheeney finished 2-3 in the 2-mile with times of 9:03.4 and 9:03.8 respectively.

In the 5th Annual Pitt Track Classic, Mike Remus and Brad Turley tied for 1st in the pole vault as they cleared 14'6", Kevin Conheeney ran 4:15.1 in the mile to finish 2nd, frosh Al Naylor won Section II of the 2-mile run with a 9:19.1 (PR) and the Distance Medley composed of Lee Spann, Dave Watt, Al Naylor and Al Carey placed 2nd in 10:14.5.

The Spectrum in Philadelphia was the site of the Annual Philadelphia Track Classic. Drew Herndon cleared 16'0" in the pole vault good for 3rd, while the mile relay team of Mike Johnson, Rod Cupka, John O'Keefe and Bill Ohlmacher placed 2nd in 3:23.0.

At the VMI Relays the Terrapins had a field day with many fine performances. Bill Goodman and John Davenport went 1-2 in the long jump with leaps of 23'10¼"

and 23'9¼" respectively. Greg Lardieri was a surprise winner in the 60 highs in 7.4, Andy Bilmanis continued to triple jump well, as he far out-distanced all competition to win the event with a leap of 51'4", which established a new university record, as well as a VMI Fieldhouse record. The shuttle hurdle relay team made up of Greg Lardieri, Al Hamlin, Tom Gwaltney and Jeff Nichols were also winners as they clocked 29.4 for the event. Andy Bilmanis received the Award for the Outstanding Field Event Man for his record breaking performance in the triple jump.

The Terrapins next headed North to West Point, New York to battle Army in what turned out to be a squeaker for Maryland as they won 60-58. In the pole vault, Drew Herndon was the winner at 15'7" to lead a Maryland sweep as Mike Remus and Chip Garber finished 2nd and 3rd. Bill Goodman won the long jump then came back later to finish 2nd to Andy Bilmanis in the triple jump as Andy jumped 49'3¾". Kevin Conheeney was an upset winner in the mile as he won with a personal best of 4:11.2 and later came back to break open the 2 mile relay for the Terps, which they won handily. Brian Bozzone gained valuable points as he won the high jump clearing the bar at 6'6".

Cole Fieldhouse was the site of the 21st Atlantic Coast Conference Indoor Championships. Again as in nineteen previous years the Terrapins captured the team title as they scored 88½ points, far ahead of runner up, North Carolina with 45½, followed by N.C. State with 29 points. Maryland had six conference champions as well as winners in both the mile and 2 mile relays. Drew Herndon led a four man domination in the pole vault as he cleared 16'1" to win the event. Rod Cupka got the nod in the 600 yard run as he and team-mate Bill Ohlmacher hit the tape together in 1:12.4, Ed Bailor captured the 1,000 yard run in 2:12.8, Brian Bozzone won the high jump clearing the bar at 6'8¼", Andy Bilmanis established a new ACC Meet record as he leaped 51'¼" to win the triple jump, and Nick Basciano breezed to a 6.2 clocking in the 60 yard dash to take 1st. The 2 mile relay composed of Bill Ham, Al Naylor, Tom Driscoll and Lee Spann ran away from Duke as they won in 7:44.6; the mile relay team bringing together Mike Johnson, Dave Watt, John O'Keefe and Bill Ohlmacher turned in a solid effort as they ran a fast 3:19.2 to establish a new meet record.

Villanova nosed out Manhattan and Seton Hall by one point, 29-28, to win the IC4A Championship. Maryland finished in a 5th place tie with Penn with 16 points. The big point men for the Terps were Andy Bilmanis in the triple jump as he leaped 52'9" to take 1st place and establish a new IC4A meet record and a new university record. Drew Herndon's fine performance in the pole vault gave the Terps their second IC4A Champion of the meet as Drew cleared 16'0". Bill Goodman performed well as he placed 3rd in the long jump with a

24'½" effort. Dropped batons and falling runners prevented the Terps from challenging for a higher place in the meet.

In the NCAA Championships in Detroit, the Terps were represented by Nick Basciano in the 60, Andy Bilmanis in the triple jump, Drew Herndon in the pole vault and Jeff Nichols in the 60 highs. Although all the men performed well, all went unplaced in the meet.

The Terrapins 1974 outdoor track season was a fine one for Head Coach, Nick Kovalakides.

The Terps made it number nineteen straight in the ACC and twenty out of twenty-one since the inception of the conference in 1954.

The Terrapins headed south to open their outdoor season in Raleigh, North Carolina for the 2nd Annual Atlantic Coast Relays. The team performed well as Don Fisher captured the javelin as he sailed the spear 224'7" for a new meet record while frosh, Jim Kirby placed 2nd, Mike Remus cleared the bar in the pole vault at 15'8" for a new meet record and Andy Bilmanis began the outdoor season where he left off indoors as he hop-step-and-jumped 51'4¾" in the triple jump for yet another Terp meet record. The Maryland four-mile relay was a winner with Dan Rincon, Lee Spann, Russ Rankin and Kevin Conheeney setting the pace; the 2 mile relay was also a winner with a team composed of Dave Watt, Ed Bailor, David Patterson and Lee Spann.

In the Colonial Relays in Williamsburg, Virginia, Andy Bilmanis established his second meet record in two weeks as he won the triple jump with a leap of 51'2¼", Bill Goodman managed a 3rd in the long jump at 23'10", Russ Rankin was a surprise 3rd in the freshman mile as he ran a 4:13.5 for a PR. The four mile relay, which finished fourth 4th, did establish a new University record with a fine clocking of 16:52.7—Al Carey, Dan Rincon, Russ Rankin and Kevin Conheeney made up that team. Brian Bozzone cleared the high jump bar at 6'7¼" for a 2nd while Drew Herndon finished in the same position as he cleared 15' in the pole vault.

The Terps traveled across town for the Georgetown Relays and despite the heavy morning rains turned in many fine performances. In the 100 yard dash the Terps went 1-2 with Nick Basciano and Bill Brozey, Bill Goodman soared 24'½" in the horizontal jump for a new meet record and a 1st place, Kevin Conheeney and Jeff Smith placed 2nd and 3rd respectively in the 3 mile run and the four mile relay won its second big race of the young season with Al Carey, Kevin McGarry, Tony Garner and Dan Rincon carrying the baton.

The Terrapins gave IC4A Champion Navy many anxious moments before finally going down to defeat 85-69. The top performances for the Terps were turned in by Andy Bilmanis, as he won the triple jump with a distance of 50'3¾", a new Byrd Stadium Record, Jeff Nichols captured a 1st in the 120 highs with a 14.3 clocking for a personal best, in the 100 yard dash the trio of

Nick Basciano, Bill Brozey and Ricky Jennings swept the Middies with Basciano's 9.5 clocking tying the Byrd Stadium Record. In the 220 yard dash Basciano, Brozey and Mike Johnson swep the Middies again with Basciano winning his second race of the day with a fine 21.2 clocking. Dave Watt and Ed Bailor placed 2nd and 3rd in the 880 with Watt's 1:53.2 a PR. The Terps took both relays—in the 440 relay Ricky Jennings, Mike Johnson, Bill Brozey and Nick Basciano teamed together to run a 41.2, a new Byrd Stadium Record; in the mile relay Mike Johnson, Dave Watt, Rod Cupka and Bill Ohlmacher tied the Byrd Stadium Record with a 3:14.2 effort.

In the Penn Relays, the Maryland trackmen performed well. Freshman Mike Remus turned in perhaps the top performance as he won the Championship Division of the pole vault with a height of 16', a new University freshman record. Andy Bilmanis placed 2nd in the triple jump with a 51'7" effort, while Don Fisher sailed the javelin 235'6" in the Championship Division, good for 3rd place and the 440 relay mile made up of Ricky Jennings, Bill Brozey, Mike Johnson and Nick Basciano placed a 3rd in the IC4A division with a 41.5 time.

With exams beginning the Terps sent a small contingent to the Quantico Relays. Mike Remus won his 2nd championship in two weeks as he won the Invitational Pole Vault with a 15'6" height. Dale Watson placed 2nd in the Open Division of the pole vault clearing the bar at 14'6".

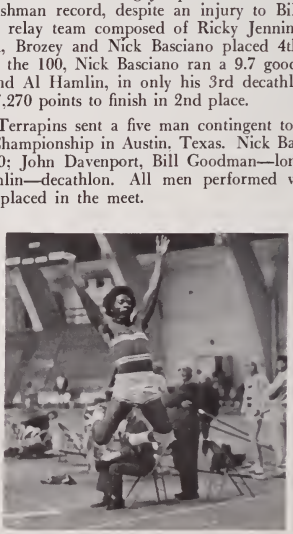
Hot and humid weather welcomed the Maryland trackmen as they arrived in Chapel Hill for the 21st Annual Atlantic Coast Conference Championships. But the Terrapins were just as hot as the weather as they won title number nineteen with 127 points with North Carolina in a distant second. The meet was all Maryland as many excellent performances were turned in. Among the top efforts were victories by the 440 relay (Jennings, Johnson, Brozey, Basciano) as they clocked 41.2, freshman Dave Watt won the 880 as he ran a 1:52.7 while teammate Lee Spann placed 3rd, in the 440 IM Jeff Nichols and Kevin Larkin went 1-2 with Jeff winning in 53.7, the 220 was Maryland-dominated with a 1-2-3 finish with Nick Basciano, Bill Brozey and Mike Johnson crossing the finish line in that order. In the pole vault the Terps lost the top spot but took the next four places led by Mike Remus in 2nd, in the 120 highs Jeff Nichols won his 2nd championship of the meet with a 14.5 time, Greg-Lardieri finished 2nd a tenth back. Mike Johnson ran 48.7 to win the 440 yard dash, while Nick Basciano was winning his 2nd championship in the 100 dash with a 9.6. Andy Bilmanis was champion of the triple jump as he leaped 50'9", Don Fisher successfully defended his javelin title with a 234'1" throw while teammate Jim Kirby placed 2nd, Bill Goodman lost his long jump title, but the Terps placed 2-3-4 with Bill Goodman—24'8¼", John Davenport—24'5" new freshman record and Al

Hamlin—23′1″ finishing in that order. In the mile run, North Carolina's great Tony Waldrop won with a 3:59.8 clocking, but the Terps' Al Carey—4.09.1, Tony Garner —4:10.1 and Kevin Conheeney—4:10.1 placed 3-4-5 to offset his effort.

Byrd Stadium was the site of the 1st Annual Terrapin Invitational Track Meet. The Maryland trackmen were in good form as Don Fisher won the javelin with a 225′6″ throw, Bill Goodman got back on the winning trail by winning the long jump with a 23′3″ leap, Andy Bilmanis won the triple jump despite an off day as he jumped 48′11¼″. Freshman Dave Watt while finishing 2nd in the 880 managed to defeat Reggie Clark, the NCAA Indoor Champion and set a new freshman record with his excellent 1:50.1 clocking. His time ranks 2nd on the All Time Top Ten list.

Penn State's overall team depth and strength proved decisive as they won the IC4A Championship with 50 points. Maryland finished in 7th place with 17 points. Point scores for the Terps were Don Fisher as he threw the javelin 231′6″ for 3rd place, Jim Kirby was a close 4th with a 229′7″ throw, freshman John Davenport was a surprise 2nd in the long jump with a 25′1″ effort—a new freshman record, despite an injury to Bill Brozey the 440 relay team composed of Ricky Jennings, Mike Johnson, Brozey and Nick Basciano placed 4th with a 41.4, in the 100, Nick Basciano ran a 9.7 good for 4th place and Al Hamlin, in only his 3rd decathlon meet, scored 7,270 points to finish in 2nd place.

The Terrapins sent a five man contingent to the National Championship in Austin. Texas. Nick Basciano—100, 220; John Davenport, Bill Goodman—long jump; Al Hamlin—decathlon. All men performed well, but went unplaced in the meet.



Terrapin Captain Bill Goodman takes off in the long jump toward another 25′ jump.

1974-75 PREVIEW

The 1974-75 edition of the Terrapin track team will be one of the strongest teams ever. The team will have experience, depth and quality in all events. Missing this year however, will be IC4A triple jump champion Andy Bilmanis, ACC 440 yard champion Mike Johnson, 220 ace Bill Brozey, ACC javelin champion Don Fisher, ACC 1,000 yard champ Ed Bailor, ACC high jump champ Brian Bozzone and ACC indoor hurdle champion Greg Lardieri. All these men have departed, but they have been adequately replaced as the Terps had one of the best recruiting years ever and again will be among the elite teams of the East.

The sprints will probably be the strongest in the school history with Nick Basciano (9.3), frosh Manny Rosenberg (9.6), transfer George Proctor (9.5) and transfer Gerald Johnson (9.6). These men will be teaming together in the 440 relay which should run under the University record. The quarter mile also will cause some eyes to lift with the fine group of talent available. Heading the list are 600 indoor co-record holders Rod Cupka and Bill Ohlmacher; George Proctor has a fine 47.7 to his credit while Gerald Johnson has run a 47.8. Seldom used Jeff Nichols also has a 47.7 relay split to add depth along with frosh ace Dave Watt and rapid improving John O'keefe and Dave Patterson. The battle for the top spot should be a keen one. The 440 IM has solid footing with ACC Champ Jeff Nichols returning with ACC runner-up Kevin Larkin close in pursuit.

The 880 will be a much stronger event this year with frosh record holder Dave Watt (1:50.1) heading the list. Excellent depth will be provided by veterans Lee Spann, John Meehan, Bill Ohlmacher, John O'Keefe and Bill Ham. Newcomers Jim Hecht, Scott Steininger and Mike Adderly should add valuable depth in this event.

The distance events will be in fine shape with mile ace Tony Garner ready to go after several serious injuries last year. He'll have excellent support from Kevin Conheeney, Russ Rankin, Kevin McGarry and Al Naylor. In the longer races the Terps are led by senior Dan Rincon, University six mile record holder, along with Jeff Smith, Jamie Gildard, David Webster, Jack Coffey, Peter Gleason, Chris Proch and Greg Cornwell. Freshman Mike Wilhelm will add depth to the two, three, and six mile events.

ACC Champ Jeff Nichols will be among the school's best in the high hurdles with back up help provided by Kevin Larkin, Tom Gwaltney and Al Hamlin.

In the field events, the Terps have gained strength but may be a year away due to the lack of experience in several events.

The long jump has an abundance of talent with senior Bill Goodman (25'4") at the top of the list not to speak of IC4A finalist frosh record holder John Davenport (25'1"), IC4A Decathlon runner-up Al Hamlin

(24′), transfer Nelville Sinclair (24′8″) and Larry Long (22′6½″).

Bill Goodman and Nelville Sinclair will be doing double duty as they will also triple jump. Frosh Mike Carr will give added strength to this event.

The shot put and discus will be left in the hands of high school All-American Ron Klotzer.

The high jump has an array of talent with freshmen leading the way. The ace of the event would be hard to pick with the likes of Brian Melly (6′11″), Ted Vaux (6′10″), Doug Richardson (6′8″) and Don Blewitt (6′7″). Veterans Bob Walden (6′6″) and Al Hamlin (6′8″) provide back up support for the youngsters.

The departure of Don Fisher left the javelin event in good hands with ACC and IC4A finalist Jim Kirby returning. Jerry Turi will be a strong number-two man in this event.

The pole vault is blessed with two fine sixteen footers in Drew Herndon (16′1½″) and frosh record holder Mike Remus (16′0″). These men along with Chip Garber, Robbie Andrews, Brad Turley, Dale Watson, Bob Steele, newcomer Tom Dover, should make this event as always very stable and productive.

The decathlon will be a super event this year with IC4A Decathlon runner-up Al Hamlin (7,290 pts.) returning along with Russ Blewitt (6,376 pts.) who is back after a short leave of absence. These two men should be among the best in the East this year.

ACC 120 H. H. and 440 IM Champion Jeff Nichols also contributes to the Terp mile relay team.

MEET THE TERPS

NICK BASCIANO - Jr. - Sprints—Nick has established himself as one of the best sprinters in Maryland track history. His 9.3 in the 100 is a new University Varsity Record, his 21.2 in the 220 ranks him 4th on the All Time list. Among Nick's top performances during '74 season included the 60 yard ACC Championship Indoors, 100, 220 and 440 relay victories against Navy and ACC 100, 220 and 440 relay championships.

JACK COFFEY - Jr. - Distances—Jack improved his performance in cross country and track. His 3 mile time was lowered to 14:13 and his cc to 26:32. Several injuries cut Jack's spring season short. This year he should be ready to add valuable depth to the distance events. For the second year Jack has qualified for the ACC Academic Honor Roll.

KEVIN CONHEENEY - Sr. - Distances—Kevin's had an impressive junior year, among his fine performances were his 4:11.2 mile victory at West Point, he was a member of the University record setting Four Mile Relay Team; placed 2nd in the 3 mile run in Georgetown Relays and 5th in the mile in the ACC with a 4:10.1—PR and 3rd in the Terrapin Invitational.

ROD CUPKA - Jr. - Quarter Mile—After a slow start during the early indoor track season, Rod came on strong for a fine year. He won the ACC 600 Championship and ran on the winning mile relay team. Other fine performances were his 48.1 mile relay effort against Navy to tie the Byrd Stadium Record and 4th place in the 440 in the ACC.

JOHN DAVENPORT - So. - Long Jump—After a fine high school career, John quickly established himself as one of the Terps' best long jumpers. Indoors he was a surprised second place finisher in the Navy dual meet; in the ACC he placed 3rd with a 23'11½" leap. In the spring John continued to improve his top performances—2nd place versus Navy; in the ACC he placed 3rd and a week later 2nd in the Terrapin Invitational. John saved his best effort of the year for the IC4A Meet where he leaped 25'1" for 2nd and a new University Frosh record.

TONY GARNER - Jr. - Distances—Injuries twice during the year resulted in a subpar year for Tony. Lost the entire cc season. Tony got off to a slow start indoors but still ran a PR of 9:01.8 iin the 2 mile for 2nd in the Army dual meet then missed the remainder of the indoor season. Outdoors he placed 4th in the ACC in the mile with a 4:10.1 effort. With a good summer of running and 100% physically, Tony should be ready to go under 4:05 in the mile.

BILL GOODMAN - Sr. - Long Jump—During his sophomore year Bill emerged as one of Maryland's best-ever horizontal jumpers. The '74 seasons saw Bill establishing more consistency in his jumping. Indoors he scored an impressive victory against Navy, at the VMI Relays and in the Army dual meet. On the ACC Championships he placed 2nd. Outdoors a nagging injury slowed Bill down but he still managed a 3rd place in the Colonial Relays, a victory at the Georgetown Relays (new meet record) and a 3rd place in the ACC Championships.

TOM GWALTNEY - Jr. - Hurdles—Tom improved his time in the 120 highs to 14.6. He was a member of the Terps' winning shuttle hurdle relay team at the VMI Relays, and an upset 3rd place finisher in the indoor ACC Meet.

BILL HAM - So. - Middle Distance—Bill got off to a good start last year with a fine performance in the 2 mile relay in the CYO Meet. He also was a member of the 2 mile relay teams that won at West Point and won the ACC Championships. Injuries during the spring hampered Bill's performances, but he should be 100% healthy again and provide valuable depth in the middle distance events.

AL HAMLIN - Jr. - LJ, HJ, Decathlon—Al emerged this year as the Terps' best all round trackman. In the high jump he improved to 6'8" and 7th position on the All Time list. This year Al will continue to perfect his flip-long jump technique and should be in the 25-foot range. Al's first competitions in the decathlon last year proved fruitful as he surprised many to finish 2nd in the IC4A Decathlon with 7,290 points. This year Al should develop into one of the Top Decathlon men in the nation.

DREW HERNDON - Sr. - Pole Vault—Drew had an impressive junior year, he improved his vault to 16'1½" for 4th position in the All Time Top Ten list. Among his fine performances were his 2nd place at Navy, 4th place at Cleveland Knight of Columbus, 1st place at West Point, 1st place in the ACC Indoor Championships and IC4A CHAMPION. In the spring, Drew placed 3rd in AC Relays, 2nd in the Colonial Relays, 2nd in Navy dual meet and 4th in the ACC Championships. With last years experience, Drew should be ready to vault with the best in the nation this year.

RICKY JENNINGS - Jr. - Sprints—Ricky not only provided depth in football but was a valuable man to the track team as well. He was used primarily as lead off man on the 440 relay which had a fine year. Among their fine permance were 1st place in the Navy dual meet; Rick finished 3rd in 100 in same meet, 1st place in the ACC Championships and 4th in the IC4A Championships.

GERALD JOHNSON - So. - Sprints—A transfer from Odessa Junior College, Gerald is a Maryland native from Arundel High School. His best performances include a 46.6 relay split, 47.7 in the open 440, 21.4-220, and a 9.6-100. Gerald will provide valuable depth in the sprints as well as the 440 and mile relay teams.

JIM KENNEY - Jr. - Distances—Jim got off to an excellent start in cross country with the 10th position in the Top Ten list. An injury late in the cc season nagged Jim the remaining year and hampered his activity. This year, he should be 100% fit and ready to pick up where he left off last year.

JIM KIRBY - So. - Javelin—Jim had an excellent frosh year as he emerged as one of the Terps' top javelin men. He sailed the javelin 233'9" for 9th spot on the All Time Top Ten. Among his fine performances were 2nd place in AC Relays, 2nd at Georgetown Relays, 2nd in Navy dual meet, 2nd in the ACC, 2nd in Terrapin Invitational, and 4th in the IC4A Championships. With last year's valuable experience, Jim should be one of the top javelin men in the East.

KEVIN LARKIN - Sr. - 440IM—Consistency was the key word in Kevin's performances in the IM's. Among his fine performances was his 53.6 for a 1st against Navy and his 2nd place in the A.C.C. and 2nd place in the Terrapin Invitational. This year Kevin should be ready to dip under 53 seconds and should be among the best in the A.C.C.

LARRY LONG - So. - Long Jump—With a year of experience Larry should be ready to bolster the horizontal jump. As a frosh Larry placed 4th in the Terrapin Invitational with a season best of 22'6½".

KEVIN McGARRY - So. - Distances—Kevin spent most of his frosh year on the injury list. But even though missing lots of training he showed he has exceptional tolent as he ran 13:56 in the mile, to rank 5th on the All Time Top Ten list as well as placing 3rd in the 3 mile in the A.C.C. this year, he should be 100% fit and ready to bolster the distance events from the 880 to the six mile run.

JOHN MEEHAN - Jr. - Middle Distances—John got off to a fine start during the indoor season running on the 2 mile relay team in the CYO and running a 2:11.7 (PR) in the 1,000 at Navy to finish 2nd. At West Point John placed 3rd in the 1,000, but was injured in the process which virtually ended his year as he was never able to come back before the year ended.

AL NAYLOR - So. - Distances—Al had a fine year as a frosh. In cross country he established a new frosh record with a fine 25:48. In track he had PR's in the mile with a 4:12.9 and in the 3 mile with a 14:04.9. This year Al should provide more depth to the distance after a year of adjustment and refining.

JEFF NICHOLS - Jr. - Sprints, Hurdles—Jeff had an excellent year beginning with his fine 7.3 victory over Navy indoors; and his 2nd at West Point. Outdoor he was even more impressive with a 1st place against Navy in the 120 highs and 2nd in the 440 IM's. In the A.C.C. Championships Jeff was a double winner taking the 120 highs and the 440 IM's and ran a 47.7 on the mile relay team. This year Jeff should rank among the best in the East in both these events.

BILL OHLMACHER - Jr. - Middle Distances—As a sophomore Bill became the middle distance work horse for the team. His versatility from the 440 to the 880 made him a key man on the team. Bill placed 2nd at Navy, 1st place against Georgetown and Penn; and in the ACC Indoors placed 2nd in the 600 as well as anchoring the champion mile relay team. In the spring Bill's season was cut short due to an untimely injury.

JOHN O'KEEFE - Jr. - Middle Distances—John was used mostly as a member of the mile relay team. This year he will move up to the 880 as well as the mile relay and should provide valuable depth to these events.

DAVE PATTERSON - Sr. - 440—Dave transferred to Maryland last year at mid-year. He has fine speed and strength and should be a key man in the 440 and mile relay picture this year.

GEORGE PROCTOR - Jr. - Sprints, 440—A transfer from Odessa Junior College, George has personal best of 9.5 in the 100, 21.3 in the 220 and 47.8 in the 440. His addition to the 440 relay and mile relay team should put them among the best in the East.

RUSS RANKIN - So. - Distances—Russ came to Maryland unheralded, but as a frosh established himself as an excellent distance man. He improved from a 4:23 in high school to a 4:11.4 miler. Injured most of the fall last year, Russ should be healthy now and ready to run in the 4:05 range.

MIKE REMUS - So. - Pole Vault—Mike quickly established himself as one of the top vaulters on the team as he placed 3rd in the Princeton Relays with a height of 15'4" to tie the frosh record. At Pittsburgh he tied for 1st, at West Point he placed 2nd and in the A.C.C. he placed 3rd. Outdoors Mike got off to a fast start winning the AC Relays, placed 4th at Georgetown Relays; at the Penn Relay Mike established a new Frosh Record as he cleared 16'0" and a week later won the Invitational vault at the Quantico Relays. In the A.C.C. Mike finished in second place while at the IC4A's he tied for 6th.

DAN RINCON - Sr. - Distances—Dan had an excellent cross country season finishing 3rd in the ACC and 16th in the NCAA District III Meet. Indoor he was 2nd at Navy, 3rd against Army and 5th in the A.C.C. In the spring, Dan ran a fine 4:10 mile on the four mile relay team as they established a new varsity record. Dan is the varsity record holder in 6 mile, ranks 4th on the Top Ten in the 3 mile and ranks 4th in the 2 mile.

NEVILLE SINCLAIR - Jr. - Long Jump, Triple Jump—Transferred to Maryland from Essex Junior College where he had personal best of 24'8" in the long jump and 49½" in the triple jump. Neville will be a key man as he fills the shoes of departed IC4A Champ Andy Bilmanis.

JEFF SMITH - So. - Distances—Jeff had an assortment of nagging injuries as a Frosh that slowed him down during the year. He did manage to run a 13.58 for 3 miles at the Penn Relays which ranks him 6th on the All Time Top Ten list and a 29:40 for 6 miles later in the season which ranks 5th on the list. This year, Jeff should be among the best distance men in the A.C.C.

LEE SPANN - Sr. - 880—Lee had a fine year in '74 until injuries caught up with him. He was a key man in the 2 mile relay with a personal best of 1:53.1 in the 880 and 2:12 for the 1,000.

DAVID WEBSTER - Sr. - Long Distances—David has made great strides since he entered Maryland. A 10:18 2 miler in high school, he has run 29:36.8 in the six mile in 1973 for 4th in the ACC. His time ranks 4th on the All Time Top Ten list. David has the potential to be an outstanding Marathonce by virtue of the fine 2:31.0 in his first effort.
